

OMRON Listed in the Dow Jones Sustainability World Index for 5th Straight Year

Hoofddorp, Netherlands, Friday, 26 November 2021 – OMRON has been included for the 5th straight year in the globally recognized Dow Jones Sustainability World Index (DJSI World), an SRI (socially responsible investment)*¹ stock price index.

The DJSI is a stock price index compiled by S&P Dow Jones Indices. It is used to assess the sustainability of the world's major companies from economic, environmental, and social perspectives.

Of the 3,455 globally prominent companies evaluated in 2021, 322 companies (35 Japanese companies) were selected for the DJSI World Index. OMRON was also listed in the Dow Jones Sustainability Asia Pacific Index (DJSI Asia Pacific) for the 12th consecutive year.

Dow Jones Sustainability Indices

Powered by the S&P Global CSA

This time, OMRON was rated highly across the board for environmental, economic, and social criteria. In the Environmental dimension, OMRON is advancing its efforts to analyze the risks and opportunities that climate change can have on its business and disclose relevant information in accordance with the TCFD*² Guidance which it has supported since February 2019, while at the same time having various sets of its environmental data assured by independent third parties. In the Economic and Social dimensions, too, OMRON is forging ahead with disclosure of its initiatives to further enhance its transparency.

*¹ Sustainable investment is a method by which investors consider a company's environmental, social, and corporate governance (ESG) information, in addition to conventional financial analysis, in order to choose companies that can attain sustainable growth to invest in.

*² TCFD: Task Force on Climate-related Financial Disclosure

OMRON's Sustainability Initiatives

OMRON identified its material sustainability issues that it seeks to resolve, including social issues to be solved through business in our focus domains and issues to be tackled in order for us to answer the expectations of our stakeholders by shoring up our business foundation.
